

**Green Eugene** is Eugene's premier cannabis magazine, published by Emerald Media Group and produced by UO student journalists. We distribute our publications to over 65 local dispensaries in the Eugene and Springfield area, producing 4,500 copies per edition. We are the top google search for "cannabis magazine Eugene" and have a growing social media presence that works actively to represent cannabis culture and collaborate with local businesses.

Locally based content geared towards your perfect target audience:  
**UO STUDENTS**
